SUBJECT: HAZARDOUS WASTE PERMIT APPLICATION -- PART A

Gentlemen:

Please refer to our letter and attached permit application of
November 18, 1980.

This letter will serve to inform you that the facility described in
the above mentioned permit will no longer store hazardous waste for
periods exceeding ninety (90) days. We therefore wish to retract
our Hazardous Waste Permit Application at this time.

If at some future date we find it necessary to reapply, we will do
so at that time. Please advise if there are any further require-
ments or if this letter is sufficient notification.

Very truly yours,

C.W. Harmon, Jr.
